

AchieveWorks® Intelligences

Maximize student potential
by applying their unique intelligence

//CODiE//
2019 SIIA CODiE WINNER

Includes Emotional Intelligence

Intelligence comes in many forms and can always be developed further. Students who know their multiple intelligences and emotional intelligence strengths can leverage that knowledge to perform better in school and select a satisfying education and career path. Professionals can track student progress, view and manage student information, access detailed reporting and find support within *AchieveWorks® Pro Tools*.

The *AchieveWorks Intelligences* online assessment is written and normed for students from 8th to 12th grade and takes less than 20 minutes to complete. Easily see the resulting composition of all, or a subset, of students with aggregate reporting and filters. Best of all, it's affordable, easy to use, requires no special credentials and includes excellent customer support!

- Discover and develop students' emotional intelligence and all 9 multiple intelligences with advice from the in-depth, personalized report
- Find the right career fit with intelligences and Human eSources Career Matching Technology™
- Easy to read, interactive report includes badges earned as students read and interact with the report
- Receive detailed guidance on how to help students better understand themselves and create actionable plans
- Complete Career Center with O*NET for exploration and planning and Indeed for job search
- Access online at any time, from anywhere, using any device

Sophisticated, yet simple

- Analysis of emotional intelligence and nine different intelligences: bodily-kinesthetic, existential, interpersonal, intrapersonal, linguistic, logical-mathematical, musical, naturalist, spatial
- Developing Intelligences section with advice for school and recommended ways to develop intelligences on their own and together
- Students earn badges and pins by reading sections, selecting items that are most applicable and trying recommendations
- Interactive, easy-to-read reports contain specific, actionable tips
- Available online, any time, from anywhere, on any device – no app download or installation necessary

Easily manageable

- Dashboard shows the number of students in progress and completed
- Badges and pins track read sections and report student activity
- View aggregate reports for all, or a group of, students
- Set up groups for easy communication and reporting
- Supporting resources deepen understanding, and use of student results and background theory
- Quick search by first name, last name, email, *AchieveWorks* program or completion status

Personalized accounts

- Secure delivery through individual accounts and portfolios
- To Do List helps students stay on track and focused
- Join groups to easily share results
- Students receive messages from professionals within their account
- Individuals can share important files in their portfolio
- Make it yours with an account photo

Friendly for everyone

- Assessment asks questions about current abilities and preferences
- Questions use an illustrated 7-point Likert-type scale
- 20 minutes or less to complete questions
- Culturally relevant and multilingual – easily switch between languages
- Option to stop and resume at a later time
- Retake assessments over time to measure progress or changes
- Designed for every size screen, from smartphones to tablets and computers
- WCAG and ADA 508 compliant

Career exploration and planning

- See top career matches based on Human eSources Career Matching Technology™, which maps hundreds of data points to assessment results for skills, personality and multiple intelligences, separately and combined
- Show students how their results compare to the skills and/or intelligences required for a particular career with the Compare to Me tab
- Assist planning past graduation with Educational Programs related to a chosen career
- Look for open positions with Indeed job search
- 900+ O*NET career profiles include job outlook, related occupations, education level and programs, wages, interests with Holland Codes, and more
- Search by keyword or filter and sort careers easily using career clusters, education, outlook, salary and/or rating
- Rate and save careers to personal portfolio
