# AchieveWorks® Personality

## Help students understand who they are and refine career guidance

# AchieveWorks®
## Personality

Use the enduring power of personality to improve students' education and career planning. Students receive an engaging and interactive report with their four-letter personality code (eg, ISFJ) and its related strengths, challenges, recommendations, along with a select list of careers that they're most likely to succeed in. Professionals can track student progress, view and manage student information, access detailed reporting and find support within *AchieveWorks® Pro Tools*.

The *AchieveWorks Personality* online assessment is written and normed for students from 9th to 12th grade and takes less than 20 minutes to complete. Easily see the resulting composition of all, or a subset, of students with aggregate reporting and filters. Best of all, it's affordable, easy to use, requires no special credentials and includes excellent customer support!

- See how students' personality impacts learning, work and problem solving, communication, collaboration, relationships, and best career options

- Receive detailed guidance on how to help students better understand themselves and create actionable plans

- Find the right career fit with personality and Human eSources Career Matching Technology™

- Easy to read, interactive report includes badges earned as students read and interact with the report

- Complete Career Center with O*NET for exploration and planning and Indeed for job search

- Access online at any time, from anywhere, using any device
