

CustomCollegePlan

Your student account

What is CustomCollegePlan?

CustomCollegePlan is the name of the account you will log into to work with your counselor throughout the college admissions process. It's easy to get started!

Step 1: Activate your account

You'll receive an email containing an activation link. Simply click on the link, and **set up a password**. If you'd like your parent or guardian to have access to your account, be sure to tell them your username (email) and password.

Step 2: Log in

Once you have set up a password, you can log in! Be sure to **bookmark the login page** (www.customcollegeplan.com) for easy access next time you want to log in.

Step 3: Explore

The first page you'll see is the **Dashboard**. You can get started reading messages from your counselor, researching colleges, and more.

Forgot your password?

No worries! Simply click the "Forgot Password?" link on the login page to receive a password reset email.

Using your account

Navigation bar

Visit different pages of your account by clicking the tabs on the left.

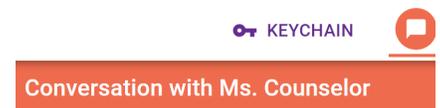

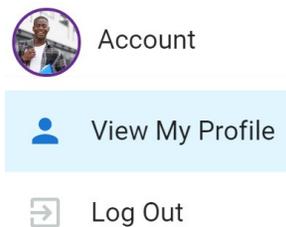

College search bar

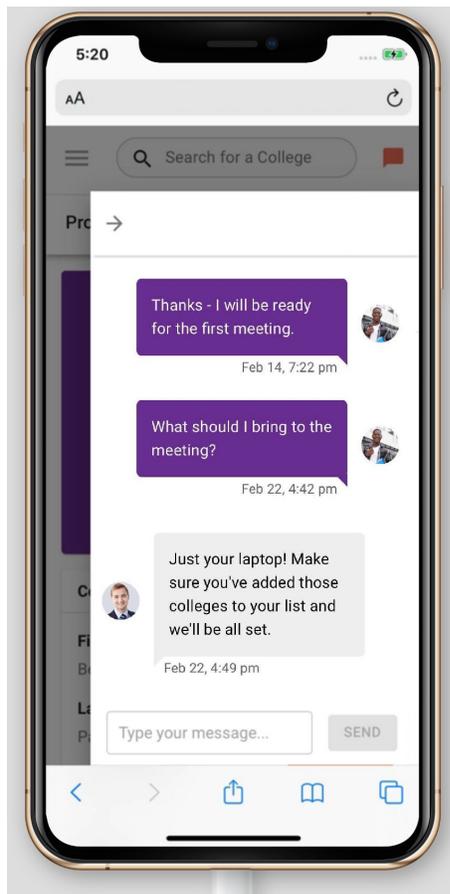

Search for a college by typing its name into the college search bar at the top of the page.

Profile and other tools

Click "Account" on the left to go to your Profile or log out; access the Keychain and Conversation panel on the right.

Access from any device

Whether you're using a mobile phone, tablet, or your laptop/desktop computer, your CustomCollegePlan account can be accessed at any time.

Use the same web address to log into your account from any device.

www.customcollegeplan.com

Getting started checklist

Your counselor will mostly take it from here, but below are some things you can do once you have access to CustomCollegePlan:

- Edit your profile and add a profile picture (Account > View My Profile)
- Link your cell phone to receive text notifications (Settings > Manage My Notifications)
- Search for a college and explore a college profile (Search bar)
- Add any scores from previously-taken SATs, ACTs, PSATs, or other tests (Testing tab)
- Add to the Conversation with your counselor (Right-hand side panel)
- See if any To-Dos have been added, and update progress (To-Dos tab)
- Add colleges to My List (Colleges tab)
- View files or links shared by your counselor, or add your own (Files tab)

Troubleshooting

Report an Issue

Having a technical problem? Click the **Report an Issue** button to send a message to the CustomCollegePlan support team.

If you have a question about a task, meeting, or something else managed by your counselor, you can ask your counselor directly through the **Conversation**.

What should I bring to our meeting?
